- within 14 days following receipt of notice to verify that the building has been erected in accordance with the sanctioned plans.
4. Should the Corporation determine at any stage that the layout or the construction is not proceeding according to the sanctioned plan or is in violation of any provision of the Act, it shall serve a notice on the applicant requiring him to stay further execution until correction has been made in accordance with the approved plan.
 5. If the Permit holder fails to comply with the requirements at any stage of construction the corporation is empowered to cancel the building permit issued.
 6. Every person who erects or re-erects any building shall within one month of the completion of the work deliver to the Commissioner at his office a notice in writing of such completion and shall give him all necessary facilities for the inspection of such works as provided in the Building Bye-laws.
 7. Whenever asked by the Commissioner or his subordinates, the Permit holder shall produce the Permit along with the copy of the approved plan for verification.
 8. In the event of reclamation of the plot for construction of building/boundary wall the reclamation level shall not exceed the level of the nearest P.W.D. or Guwahati Municipal Corporation Road. For preparation of hilly land for construction, retaining wall has to be constructed on the excavated earth and spoils should be adequately guarded to prevent erosion.
